

East Wake Academy Job Announcement High School Exceptional Children's Teacher

East Wake Academy, an innovative K-12 Public Charter School in Zebulon, North Carolina, is seeking to hire a committed, skilled, and well-qualified Exceptional Children's Teacher. EWA is committed to focusing on the whole child, preparing all students to succeed in college and in 21st century careers.

Teachers and Staff Members at East Wake Academy will:

- Focus intensely on increasing student achievement and opportunities for all students
- Create inspiring, challenging, and effective teaching and learning experiences for all students
- Collaborate with fellow teachers and school leadership to build strong relationships with students, parents and faculty members
- Share in the leadership of the school by taking on essential roles in addition to teaching
- Become part of a strong and supportive professional learning community

Minimum Qualifications:

Knowledge, Skills and Abilities:

- Considerable knowledge of the necessary principles and application of theory into practice for effective instruction and positive behavioral supports that are beneficial for implementation with all students with disabilities
- Considerable knowledge of OCS curriculum and instructional strategies (general curriculum and adapted curriculum)
- Considerable knowledge of student learning and motivation techniques
- Thorough knowledge of OCS policies and effective instructional practices
- Thorough knowledge of federal, state, and local mandates governing the determination of delivery of special education services
- Ability to complete observations, conduct IEP (Individual Education Plan) meetings and create relevant IEPs for each student
- Complete the initial eligibility and reevaluation process for each student

Education, Training and Experience:

- Bachelor's Degree from an accredited institution in an approved program in special education
- Experience working with high school students with special needs
- Any equivalent combination of training and experience that provides the required knowledge, skills and abilities

Certification and Licensure Requirements:

- Must possess valid North Carolina certification in the area of Exceptional Children in one or more specialty areas, or be eligible to receive certification
